

Product Discontinuation

SCARA Robot Series

eCobra 600 Lite/Standard/Pro
eCobra 800 Lite/Standard/Pro

- Including all options (IP20, IP65, Cleanroom, Inverted)
- Controller Type eAIB

eCobra 600 Standard/Pro
eCobra 800 Standard/Pro

- Including all options (IP20, IP65, Cleanroom)
- Controller Type iCS-ECAT

Recommended Replacement

No recommended replacement

No recommended replacement

[Final Order Entry Date]

The effective date for all customers outside Europe is **February 15, 2027**. For customers in Europe, the effective date is **November 15, 2026**, subject to applicable regional requirements.

For customers outside Europe, additional orders may be fulfilled through June 30, 2027, subject to regional inventory availability.

Certain models, such as Cleanroom, IP65 or eCobra Inverted are not available with standard lead times. Please contact your Omron representative regarding availability and delivery terms.

[Date of The Last Shipping]

The effective last shipping date from the factory for all customers outside Europe is **March 31, 2027**. For customers within Europe, the effective last shipping date to the customer is **December 31, 2026**.

[Scheduled Date of Maintenance Close]

June 30, 2032

[Caution on Recommended Replacement]

The Next Generation Fixed Robot portfolio is a purposeful innovation leap, built to unlock new value and future-ready capabilities beyond the Current Generation. While this shift does not support backward compatibility, we remain fully committed to supporting our customers through the transition, ensuring a smooth migration and a successful move to the new portfolio.
