Product Discontinuation

Ethernet Interface

CJ1W-ETN21

Recommended Replacement

Ethernet IP Interface

CJ1W-EIP21S

[Reason of product discontinuation]

Security laws and regulations are becoming increasingly stringent across countries and industries. To address these requirements, we introduced the CJ1W-EIP21S in July 2023 to strengthen network security. As a result, the Ethernet unit will be discontinued.

[Final Order Entry Date]

CJ1W-ETN21 End of March 2027

[Last Shipping Date]

CJ1W-ETN21 End of September 2027

[Maintenance Service End Date]

CJ1W-ETN21 End of March 2034

[Replacement Recommendation]

When replacing the unit within the CJ series, please consult the replacement guide and relevant manuals before designing the system.

[Differences Compared to the Discontinued Product]

CJ1W- ETN21

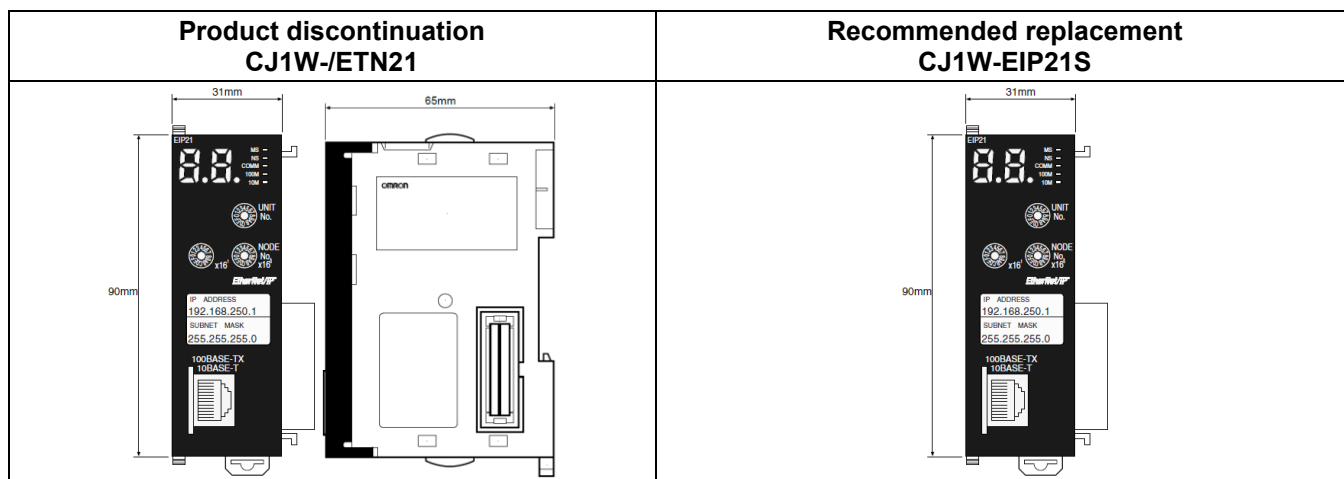

Recommended replacement Model	Body Color	Dimensions	Wire connection	Mounting Dimensions	Characteristics	Operation ratings	Operation methods
