

## PRODUCT SAFETY DATA SHEET

Date: December 15, 2023

### 1. Product

Product Name: HD Series Battery  
Model/Serial Number: 68333-xxxxxxx  
Part Number: 68330-000

### 2. Manufacturer Information

Manufacturer Name: Omron Robotics and Safety Technologies Inc.  
Address: 4225 Hacienda Dr., Pleasanton, CA 94588, USA  
Telephone: 925-245-3400  
Fax: 925-960-0452

### 3. Safety Information

Safety Data Sheet (SDS) is required for battery cells in this product. Refer to SDS of the Lithium-ion battery cell issued by the LithiumWerks manufacturer  
This battery pack complies with UN 38.3 Standards. See attached file number: QL-20-0501

### 4. Information of the HD series battery

This battery pack consists of the following parts that we build together:

- a. Lithium-ion battery modules, NEC ALM 12V35i-HP, arranged in a 4P/2S configuration. Modules consists of LithiumWerks ANR26650M1B cells, arranged in a 14P4S. See attached SDS of the Lithium-ion battery cell
- b. PCA (Printed Circuit Assembly) and cables/wiring
- c. Mechanical Components such as screws, washers, metal enclosure, cover, etc.
